8-TH EURASIAN MEETING ON HETEROCYCLIC CHEMISTRY

20-24 SEPTEMBER, 2014

TBILISI, GEORGIA

WELCOME

Dear Colleagues,

The Organizing Committee cordially invites you to the 8-th Eurasian Meeting on Heterocyclic Chemistry (EAMHC-2014) which will be organized by the Agricultural University of Georgia and Association of Professional Chemists of Georgia. This forthcoming meeting will be held in Tbilisi, Georgia on September 20-24, 2014.

The conference series "Eurasian Meeting on Heterocyclic Chemistry" is a scientific event that has been established in Russia since 2000 attracting attendees from both industry and academia from Europe and Asia.

The 8-th Eurasian Meeting on Heterocyclic Chemistry will continue the same tradition of the prior EAMHCs, offering a scientific program dealing with the latest developments in new methods in heterocyclic chemistry, biologically active heterocycles (both pharmaceuticals and agrochemicals) heterocyclic natural products and analogues, and heterocycles in synthesis presented by leading international experts. The meeting will create an environment for in-depth, informed discussions highlighting the importance of heterocyclic chemistry in the industry and academia. There is also wide space for oral and poster contributions to allow established colleagues as well as young researchers to discuss their latest results and achievements. Besides the scientific aspects of the program, you will have a chance to appreciate the scenes of Georgia and visit historic regions of our country.

It is an honor and challenge for us to organize EAMHC-2014 for the first time in Georgia, and we will work hard to ensure a rewarding event, both scientifically and socially.

We look forward to seeing you in Tbilisi.

Prof. Shota Samsonia
Chairman

CALL FOR PAPERS

On-line registration web-page:

<http://chemistry.ge/conferences/eamhc-2014/online/register.php>

Abstract for the presentation should be prepared according to conference rules and submitted by e-mail as a DOC file.

Abstract length is limited up to 2 pages size A4.

The abstract template can be downloaded from the registration web page.

KEY DATES:

Deadline of online registration: **May 30, 2014.**

Deadline of abstract submitting: **August 15, 2014.**

LANGUAGE

English is the official language of this conference.

VENUE & ACCOMMODATIONS

The conference will be held at the Conference Hall of the [Agricultural University of Georgia](http://chemistry.ge) located in capital city of Georgia - Tbilisi.

REGISTRATION

Registration will be possible from December 10, 2013 till June 30, 2014.

The registration fee includes admission to the scientific events, coffee breaks, welcome party, a copy of the proceedings, social events and conference banquet.

Participants	Early Before May 30, 2014	Late June 1- August 30	Onsite September 1- September 17
Regular*	300 Euro	350 Euro	400 Euro
Student**	100 Euro	125 Euro	150 Euro
Accompanying Person	200 Euro	200 Euro	200 Euro

* For the participants from the same laboratory there is special discount:
• the second participant of the same laboratory receives a 25% discount,
• the third and each subsequent participant receives a 35% discount.

** Applicants for student category are required to submit proof of student status (e.g., a copy of university ID card)

SOCIAL EVENTS

Welcome party will be held in the evening of September 20, 2014.

Visit to historical museum is planned on September 21, 2014.

A short excursion to Mtskheta, an ancient capital city of Georgia, is planned on September 22, 2014.

The conference dinner will be held in the evening of September 23, 2014.

An excursion to Ananuri Fortress (13th c) and Kazvbegi (Gergeti Trinity Church (14th c) located on an elevation of 2170 meters on Gergeti mountain) is planned for the morning of September 24, 2014.

The details of the planned social events is announced on the EAMHC-2014 website.
