2-ND INTERNATIONAL CONFERENCE ON ORGANIC CHEMISTRY "ADVANCES IN HETEROCYCLIC CHEMISTRY"

WELCOME

2nd International conference on organic chemistry - "Advances in Heterocyclic Chemistry (GeoHet-2011)" will be held at the conference hall of the hotel "D-Plaza", located in center of capital city of Georgia.

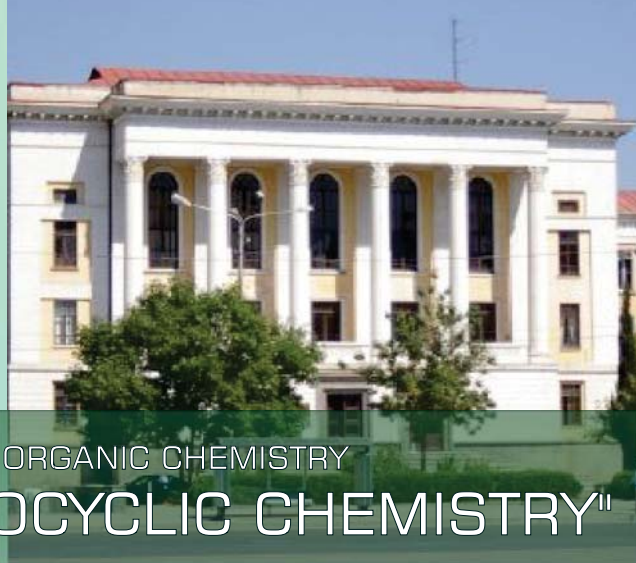

This conference offers opportunities for presentation and discussion of the most up-to-date research in the chemistry of heterocycles as well as other fields of organic chemistry. The conference will include plenary (invited) lectures, keynote lectures, selected oral presentations and poster sessions.

We cordially invite all of you to join the vital and fruitful discussion in all fields of organic chemistry.

Conference is organized by the Javakhishvili Tbilisi State University and Georgian Technical University.

SCIENTIFIC TOPICS

This conference will cover various topics related to organic compounds, comprising physical, chemical and biological properties, synthesis and application, etc.
