25-28 SEPTEMBER, 2014

TBILISI, GEORGIA

WELCOME

Dear Colleagues,

The Organizing Committee cordially invites you to the 3-rd International Conference of Organic Chemistry (ICOC-2014) "Organic Chemistry - Driving Force of Life Development" organized by the Javakishvili Tbilisi State University and Association of Professional Chemists of Georgia. This forthcoming conference will be held in Tbilisi, Georgia on September 25-28, 2014.

The First Georgian Conference on Organic Chemistry was held on September, 2009 in Signaghi – in one of the loveliest regions of Georgia – Kakheti (old Kiziki). In Signaghi the organizing committee took the decision to carry out the following conferences on organic chemistry with the different outlined topics in various cities of Georgia.

The second conference on organic chemistry "Advances in Heterocyclic Chemistry" - GeoHet-2011 was held in the capital city of Georgia –Tbilisi on September 25-27, 2011. The Conference was sponsored by Rustaveli Science Foundation of Georgia and organized by Javakishvili Tbilisi State University, Georgian Technical University and Association of Professional Chemists of Georgia and 150 attendees from 16 countries, including Armenia, Azerbaijan, Belarus, China, Georgia, Greece, India, Iran, Latvia, Pakistan, Russia, Switzerland, Turkey, Ukraine, USA and Uzbekistan have been participated.

The organizing committee cordially hopes that with the assistance of scientists from around the world The International Conference on Organic Chemistry will really become an interesting and attractive international conference on organic chemistry worldwide. We hope that the current conference will be a successful scientific meeting, summarizing the latest achievements of organic chemistry.

In addition we have great pleasure to inform you, that you have opportunity to attend two different international conferences by one visit to Georgia. 8-th Eurasian Meeting on Heterocyclic Chemistry (EAMHC-2014) is organized by the same organizing committee and will be held on September 20-24, 2014.

Again, we thank all of you for attending these conferences and wish you a pleasant, as well as memorable stay in Tbilisi.

We look forward to seeing you in Tbilisi.

Organizing Committee

CALL FOR PAPERS

Online registration web-page:
www.chemistry.ge/conferences/icoc-2014/register.php

Abstract for the presentation should be prepared according to conference rules and submitted by e-mail as a DOC file.

Abstract length is limited up to 2 pages size A4.

The abstract template can be downloaded from the registration web page.

KEY DATES:

Deadline of online registration: **June 30, 2014.**

Deadline of abstract submitting: **August 15, 2014.**

LANGUAGE

English is the official language of this conference.

VENUE & ACCOMMODATIONS

The Conference will be held in the hotel "Holiday Inn", which is located in the center of Tbilisi.

REGISTRATION

Registration will be possible from December 10, 2013 till June 30, 2014.

The registration fee includes admission to the scientific events, coffee breaks, welcome party, a copy of the proceedings, social events and conference banquet.

Participants	Early Before July 30, 2014	Late August 1- August 30	Onsite September 1- September 17
Regular	250 Euro	300 Euro	350 Euro
Student*	100 Euro	125 Euro	150 Euro

* Applicants for student category are required to submit proof of student status(e.g., a copy of university ID card)

SOCIAL EVENTS

Welcome party will be held in the evening of September 25, 2014.

Visit to historical museum is planned on September 26, 2014.

A short excursion to Mtskheta, an ancient capital city of Georgia, is planned on September 22, 2014.

Conference firewall banquet is planned on September 27, 2014.

An excursion to "Prometheus Cave" is planned for the morning of September 28, 2014.

The details of the planned social events is announced on the ICOC-2014 website.
