The Organizing Committee cordially invites you to the 3-rd International Conference of Organic Chemistry (ICOC-2014) "Organic Chemistry: Driving Force of Life Development" organized by the Georgian Technical University and Association of Professional Chemists of Georgia. This forthcoming conference will be held in Tbilisi, Georgia, from September 25-28, 2014.

The International Conference on Organic Chemistry was held on September 19-21 in Signaghi – in one of the loveliest regions of Georgia (old Kiziki). In Signaghi the organizing committee decided to carry out the following conferences on organic chemistry on the different outlined topics in various cities of Georgia.

The International Conference on organic chemistry "Advances in Heterocyclic Chemistry" (ICoHet-2011) was held in the capital city of Georgia, Tbilisi, from September 25-27, 2011. The Conference was sponsored by the Georgian Foundation of Georgia and organized by Javakhishvili State University, Georgian Technical University and Association of Professional Chemists of Georgia and 150 attendees from 16 countries, including Armenia, Azerbaijan, Belarus, China, Georgia, Greece, India, Kazakhstan, Russia, Switzerland, Turkey, Ukraine, USA and many others have been participated.

The Organizing Committee cordially hopes that with the assistance of you, we will surround the world. The International Conference on Organic Chemistry will really become an interesting and attractive scientific meeting. We hope the conference on organic chemistry worldwide. We hope the conference will be a successful scientific meeting, where you will present the latest achievements of organic chemistry.

We have great pleasure to inform you, that you have the opportunity to attend two different international conferences by one trip. The 8-th Eurasian Meeting on Heterocyclic Chemistry and the 3-rd International Conference of Organic Chemistry are organized by the same organizing committee and will be held in Tbilisi, Georgia, from September 20-24, 2014.

We are looking forward to seeing you in Tbilisi.

We are looking forward to seeing you in Tbilisi.
